**LUMENS CHAMBER CHOIR**

**Conductor:** Kathryn Morton

Fresh, young and vibrant, Lumens Chamber Choir first lit up Brisbane's choral scene in 2021 and has been shining brightly ever since. The choir brings together a select and dedicated group of singers aged 18-28 under the direction of Kathryn Morton, to share with each other the joyous experience of choral music-making.

Lumens Chamber Choir members engage with a variety of genres, including challenging contemporary art music and the much-loved choral gems of history. Its young adult choristers are encouraged to grow and develop through individual preparation, meticulous attention to detail, organic collaboration, and public performance. These skills are valued not only in the world of music, but in all aspects of life and labour.

Since its inception, the choir has been applauded for its superior musical artistry. Singers are auditioned, and must display high levels of focus, commitment and vocal facility.

Lumens Chamber Choir also offers an internship program for emerging conductors, which provides opportunities to work closely with established professionals and to develop hands-on experience with the ensemble.
